

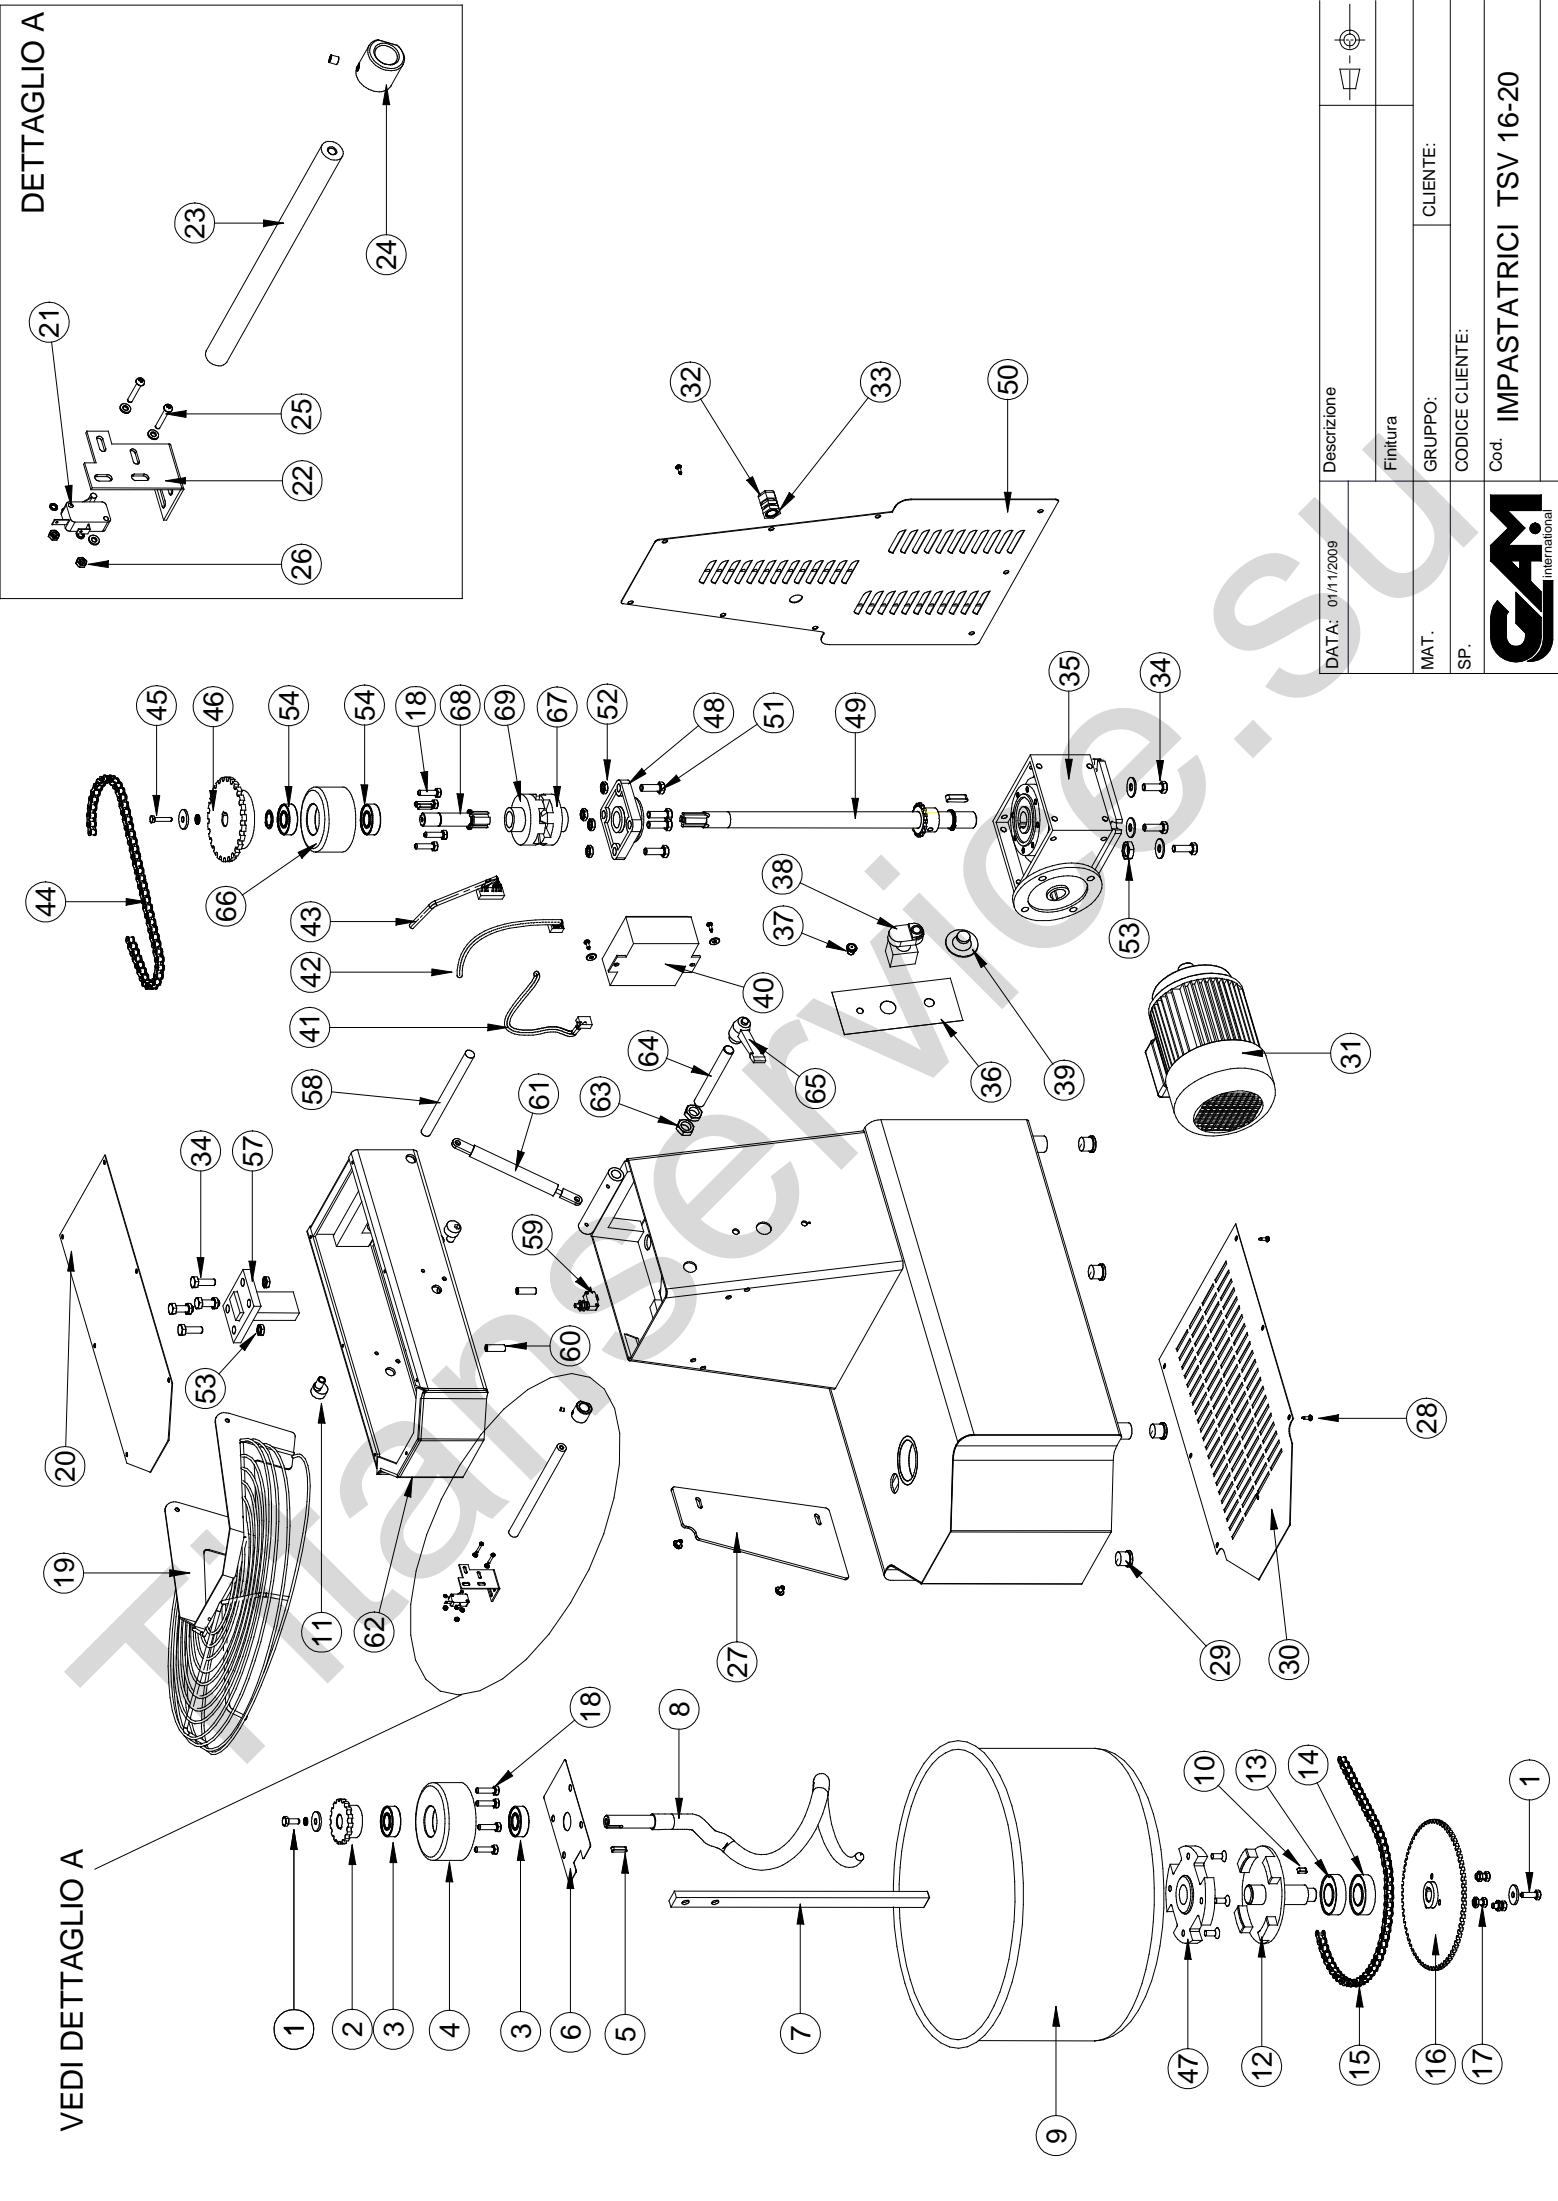

Diagram illustrating the assembly of the front panel (21) to the main unit (22). The front panel (21) is shown being attached to the main unit (22) using screws (23) and a bracket (24).

VEDI DETTAGLIO A

An exploded view diagram of the front cover assembly. It shows four components arranged vertically, each with a circular callout containing a number (1, 2, 3, 4) and an arrow pointing to the corresponding part. Component 1 is a small screw. Component 2 is a circular gasket or seal. Component 3 is a small circular washer or spacer. Component 4 is the main front cover, which is a large circular disc with a central hole and a flange. A diagonal line extends from the top right of the main assembly towards the text 'VEDI DETTAGLIO A'.
