SPARE PARTS CATALOGUE

Introduction:

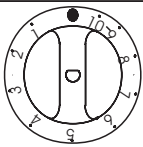

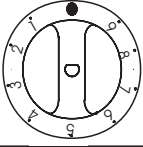

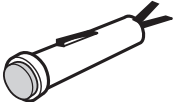

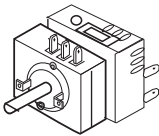

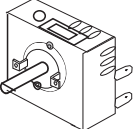

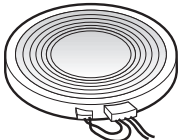

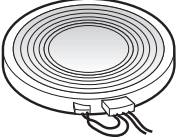

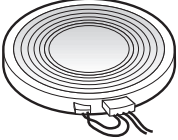

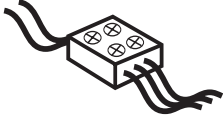

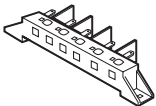

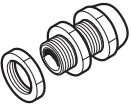

This catalog enables to recognize our appliances' main spare parts reading the single exploded views.

How to look up in our catalogue :

Hereunder we describe the correct method to look up in our catalogue, in order to locate the desired spare part in a quicker and more precise way.

For Example: You need the component' s code-number of a gasrange with burners 1/1M.

- 1) Find the appliance's model and serial number on the rating plate.
(The rating plates are positioned in the internal side of the frontal control panel).
- 2) Search for the belonging family in the index (BCPxxxx-(0B)) .
(f.ex. Gasrange with burners - top 1/1M).
- 3) Identify the corresponding exploded view.
- 4) Locate the desired spare part.
- 5) Hence you obtain the codenumber and the description of the spare part you need.
