

Thermische Geräte Serie 900
Elektro-Kippbratpfanne
Artikel-Nr. 147007 (90BR/EM120)

Explosionszeichnung / Ersatzteile

Bitte bei Ersatzteilbestellung immer Artikelnummer und Seriennummer mit angeben!

Series 900
ELECTRIC TILTING BRATT PANS

The diagram illustrates the exploded view of a Series 900 Electric Tilting Bratt Pan. Key components and their assembly points are indicated by numbered callouts (1-19):

- 1, 2:** Mounting feet for the base.
- 3:** A small electrical component, likely a fuse or terminal block.
- 4:** Electrical control components, including a thermostat and a relay.
- 5:** A screw for securing the front panel.
- 7:** A large screw for the front panel.
- 9:** A long, thin component, possibly a heating element or a support rail.
- 10:** A component that appears to be a heating element or a support rail.
- 11:** A component labeled 'SL', likely a support rail or a heating element.
- 12:** A cable or hose connected to the side of the pan.
- 13:** The main body of the pan.
- 14:** A component, possibly a support rail or a heating element.
- 15:** A component, possibly a support rail or a heating element.
- 16:** The main body of the pan.
- 17:** A component, possibly a support rail or a heating element.
- 18:** A component, possibly a support rail or a heating element.
- 19:** A component, possibly a support rail or a heating element.
