Programmable Espresso Machine

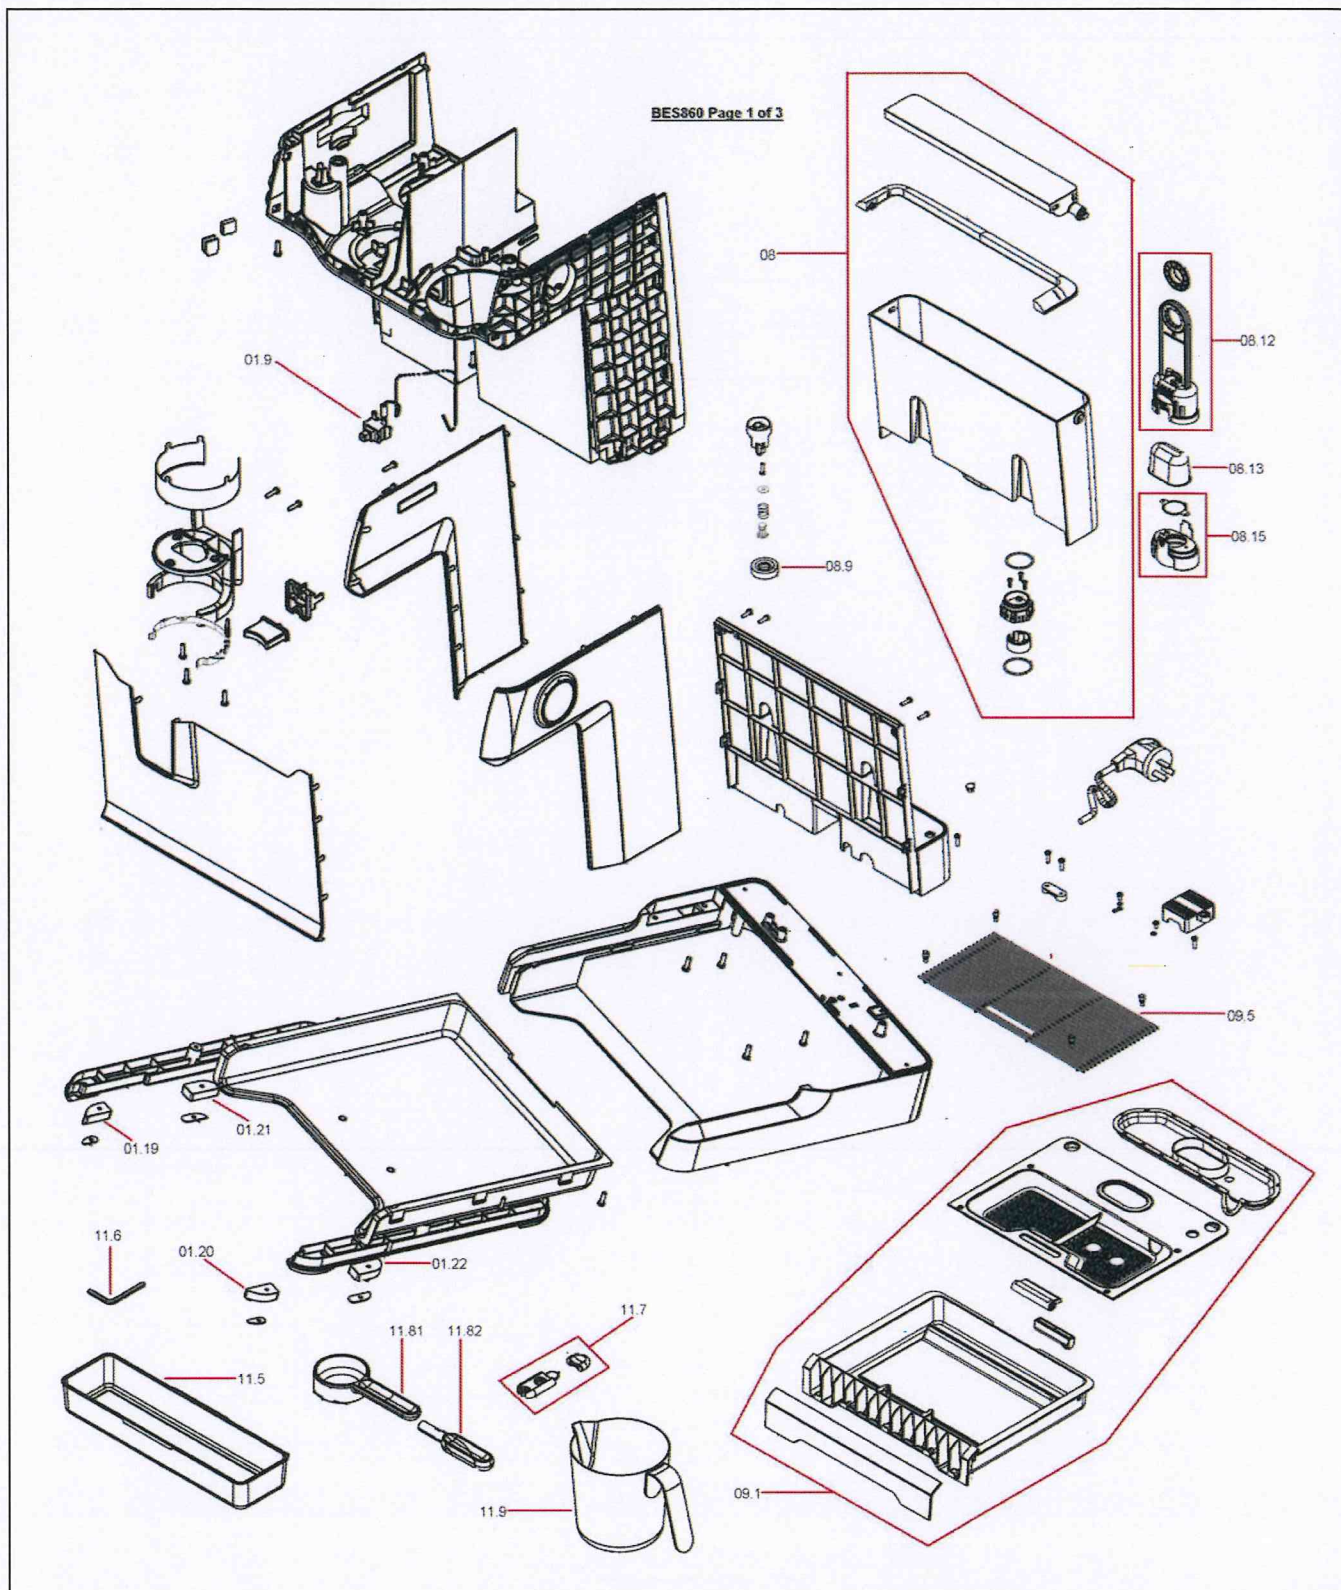

Description:	Programmable espresso maker with power save mode, integrated conical burr grinder with bean hopper (auto sealing to securely hold beans in hopper), grind size selector and dose adjust dial. Programmable coffee dose button: select between single cup or double cup. It has an integrated / removable tamper, cup warming tray, 15 bar pump, fits extra-large cup height for coffee mugs, electronic temperature control and pressure gauge. Advanced dual wall and single wall filters. Cleaning indicator, forged brass filter holder with extended outlets. Swivel steam wand and stainless steel frothing attachment, removable 2.5 litre water tank. Removable wet and dry coffee separator drip trays: integrated knock bin for used grinds and drip tray full indicator		
Colour:	Brushed stainless steel		
Voltage:	AU/NZ	BES860 - 230-240V 50Hz 1450W	First Sale Date: 18/02/2009
	CANADA	BREBES860XL – 120V 60Hz W	First Sale Date:
	US	BES860XL – 120V 60Hz W	First Sale Date:
Services:	English: Parts are available as per Spare Parts listing. Availability of parts may vary depending on the country where the product is sold. Whilst the diagrams show all parts available, but parts available for a particular country may differ. French: Les pièces sont disponibles selon la liste des pièces de rechange. La disponibilité des pièces peuvent changer selon le pays où le produit est vendu.
